

Improve your roll processing capacity and increase your productivity with an Accu-Cut feed table.

- ◆ One person loads rolls to be cut on the table and picks up processed rolls from underneath the table while another person processes all your cuts on the machine.
- ◆ Fully automated, industrial strength conveyor system will meet the demands of the busiest warehouses.
- ◆ Pneumatically operated loading arms provide quick and effortless operation.

***Accu-Cut Feed Table -
taking cutting efficiency
to the ultimate level.***
